

Join the Revolution

"My customers absolutely love Control4. Every single client that I have exposed Control4 to has been a purchasing client. And every single person that has it loves it and raves about it."

— Brad Hall, Cinema South, Lusby, MD

"With Control4, you feel as though you're giving someone more than just a product, you're actually contributing to their well being and the quality of their lifestyle."

— Grant Macdonald, PeakLifestyles, Calgary, Canada

"If someday the average American home includes complete automation, Control4 may be the company most responsible."

— Robb Report: Home Entertainment

"Control4 delivers what it promised: an easy-to-use system...bringing complete home automation control to people who previously could not afford it."

— Mike Wood, Digital TV & Sound

"...their [Control4] system will become the Model T of home automation...that takes the industry to a whole new level."

— Les Christie, CNN/Money

"Control4 has opened up a new avenue for sales to people who didn't know that they could afford this type of product."

— Dave Hirsch, Horizon Install Group, Inc. Mission Hills, CA

"It's definitely cool stuff..."

— Cliff Edwards, Business Week

Control4 simplifies your business. We give you affordable, practical products that can be installed in new and existing homes and help you take your business to the next level.
